Subject: Appointment as Advisor

Dear Dalip,

Further to our discussions regarding playing a more proactive role in the area of Hydro Power and generating specialized content on the sector, we would like to engage your domain knowledge and expertise in the area of sustainable hydro for a mutually beneficial association.

We are pleased to formalize this partnership by offering you a role as an Advisor for the special projects.

We look forward to jointly setting-up the agenda and taking the same forward at the earliest.

Thanking you.
Warm Regards.
